

OXLEY NETS Information Sheet

Golf Nets

OXLEY NETS offers custom manufactured Netting for all Golfing applications – from full Golf Course perimeter Netting, through to Netted indoor practice facilities and Cages.

As a more economical solution than chain wire fencing, Netting also provides a higher level of safety from 'stray' balls, by absorbing the golf balls' energy upon impact.

OXLEY NETS can provide ...

- ✓ Advice on the use of netting as a solution to problem 'stray' golf balls.
- ✓ Manufacture of custom designed Netting to suit specific applications.
- ✓ Full 'solution' engineering, including supply and installation of all necessary poles and rigging for large projects.

Visit www.oxleynets.com.au or contact us to discuss your needs for all types of Golf Nets.
