

OXLEY NETS Information Sheet

Behind Goal Netting

As a more economical solution rather than chain wire fencing, OXLEY NETS 'Behind Goal' Netting is visually unobtrusive, and provides the safety and convenience required by your AFL, Soccer, league or Rugby club.

At OXLEY NETS, we have the experience and the product range to

- ✓ Develop the precise configuration of 'Behind Goal Netting' best suited to the needs of the club ground.
- ✓ Engineer the complete Netting solution, as well as manufacture, install and commission the complete project.

Visit www.oxleynets.com.au or contact us to discuss your Behind Goal Netting needs.
