

OXLEY NETS Information Sheet

Conveyor Netting & Warehouse Netting

OXLEY NETS provides a number of solutions to the need for Safety Netting of Conveyor Systems, Pallet Racking and other Warehouse Netting across a range of industry types.

Horizontal Pallet Rack Netting

Vertical Pallet Rack Netting

The installation of **Pallet Rack Netting** provides the necessary personal protection against injury or death, from stored goods falling from height.

Similarly, **Conveyor Netting**, used in the mining and logistics industries, provides personal protection from any mineral ores or packaged goods that may spill from conveyors.

Conveyor Netting
